

BOYD CAMPBELL
JACKSON, MISSISSIPPI

May 15, 1962

Dear Jim:

I am glad you got the treasure and am very much pleased that you think you can use it to advantage.

I am surprised to hear that Baxter Wilson has finally come out in favor of free enterprise. He has been pussyfooting on this issue as well as on private power vs. public power.

Have a good time in Oregon and be prepared to "march forward" when you return.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Boyd', with a long horizontal flourish extending to the right.

Boyd Campbell
